

Hanna Kim**SUMMARY**

Applied Data Scientist and Biostatistician with 2.5+ years bridging complex healthcare datasets, statistical validation, and cross-functional reporting. Proven track record managing large-scale data quality, translating technical findings for executive and regulatory stakeholders, and driving strategic decisions that optimize cost and performance. Brings complementary business acumen from coaching prospective entrepreneurs on business model design and market-sizing, and cross-cultural leadership experience managing a 300+ resident international dormitory team. Bilingual (Korean/English) communicator skilled at delivering actionable insight across technical, business, and multicultural stakeholder groups.

SKILLS

- **Data Analysis & Visualization:** Excel (Advanced, VBA), Tableau, Python, PowerPoint
- **Languages:** Korean (Native), English (Native-Level)

WORK EXPERIENCE**HAI (Human AI Interaction) Corp.** (Digital Healthcare)

Seoul, South Korea

Jul 2023 – Nov 2025**Applied AI Data Scientist & Biostatistician** (Full-time; Oct 2023 – Nov 2025)

- **Data Quality & Cost Optimization:** Diagnosed data-quality issues in third-party vendor datasets and led a strategic transition to raw signal data — improving the model's accuracy score (AUC) from 0.52 to 0.85 while cutting vendor data costs by over 50%.
- **Data Governance & Regulatory Certification:** Engineered and validated large regulatory-compliant datasets, earning the company's first-ever TTA (Telecommunications Technology Association) certification for AI model performance.
- **Compliance & Cross-Functional Liaison:** Served as the primary liaison translating between internal engineering/business teams and external MFDS and FDA reviewers, executing statistical validation (ANCOVA, hypothesis testing) across four successful government regulatory submissions.
- **Cross-Border Stakeholder Coordination:** Initiated the company's first U.S. regulatory engagement, coordinating directly with a Massachusetts General Hospital research lead to align international clinical requirements with the company's U.S. market-entry strategy.
- **Executive Reporting & Stakeholder Management:** Prepared and delivered weekly business reports and visual analytical insight to C-suite executives — in Korean and English — translating technical metrics into strategy used directly in board and investor materials.

Global Green Growth Institute (Climate International Organization)

Seoul, South Korea

Research Assistant, Office of the Director-General (Intern)**Feb 2021 – Aug 2021**

- **Macroeconomic Forecasting & Ad-Hoc Analysis:** Built time-series forecasting models (CAPEX/OPEX projections) estimating job-creation impacts across 30+ countries, extracting and visualizing complex datasets in Excel and Tableau to support policy stakeholders' planning decisions.
- **Cross-Cultural Team Collaboration:** Partnered within a predominantly international team of economists and policy researchers; resolved critical legacy data errors, earning second-author publication credit.
- **Knowledge-Sharing Leadership:** Initiated a cross-departmental knowledge-sharing session for 7–10 fellow interns and authored a terminology reference booklet later adopted into staff onboarding materials.

LEADERSHIP & EXTRACURRICULARS**Social Innovation Creators' Academia (SICA)** (Yonsei Student Startup Academia)

Seoul, South Korea

Vice President (Jan 2020 – Jul 2021)**Aug 2020 – Jul 2021**

- Designed and delivered a business curriculum (business model design, market-sizing, competitive strategy) for a cohort of 30+ student entrepreneurs; co-organized alumni mentorship sessions, inviting speakers across industries.

Yonsei University, Residential College (International Dormitory Program & Student Care Leader)

Incheon, South Korea

Chief Residential Assistant (1 semester); Residential Assistant (3 semesters)**Feb 2018 – Dec 2019**

- Led a team of 12 RAs (6 international, 6 Korean) with the supervising faculty to oversee all affairs for a 300+ resident international dormitory; personally supported 25–30 international freshmen each semester.
- Managed a 10M KRW annual budget across 20+ academic and social events per semester; recorded the highest engagement rate in dormitory history.

TCK Camp Organizing Committee (Camp organization)

Seoul, South Korea

Organizing Committee Member (Volunteer; Organized a 5-days camp for 90+ attendees)**Jun 2025 – Jul 2026**

- Spearheaded a data-driven needs assessment that directly shaped overall program design; standardized committee operational workflows to reduce weekly meeting times by 40%, sustained across a full year of weekly sessions.

EDUCATION**Yonsei University**

Seoul, South Korea

B.A., Applied Statistics & Science, Technology and Policy (Double major) – GPA: 4.05/4.50**Mar 2017 – Feb 2023**

- **Academic Honor Roll (GPA Top 10%) :** Fall 2017, Fall 2018, Fall 2020
- **Relevant coursework :** Mathematics in Economics, Mathematical Statistics, Regression Analysis, Time Series Analysis, Categorical Data Analysis, Statistical Computing, R & Python Programming
